Lets plot some $\alpha$-shizzle.

```
xtable(table)
```

|         | Yes    | No or undecided |
|---------|--------|-----------------|
| Females | 509.00 | 116.00          |
| Males   | 398.00 | 104.00          |
